Ways Busy Parents Can Help Children Succeed in School

Helpful tips for ways to control your time:

- *Use time in the car with your child, or other pockets of time, to squeeze in a little more learning.*
- *Set priorities. Decide what is important. (Odds are it's your kids.) Have a choice between cooking a fancy dinner or reading with your child? Order a pizza and read the book.*
- *Spend one-on-one time. Kids need both "quality" and "quantity" time with you. There's nothing like spending time alone with a parent to make a child feel special.*
- *Find your child's "prime time" for studying. This may be a key to his success in school. Work with your child to find the homework time that's best for him.*
